MINOR PARTICIPATION AGREEMENT AND LIMITED LIABILITY WAIVER

DRAFT FOR FLORIDA LEGAL REVIEW / NOT FOR SIGNATURE OR USE

Complete the operator identity and activity scope and obtain Florida legal review before using this draft. The operator named below is the only released party under this agreement.

Operator legal name: [CONFIRMED LEGAL ENTITY NAME REQUIRED]

Business contact email and telephone

Minor athlete full name and date of birth

Signing natural guardian full name and relationship

Covered program or sessions and participation start and end dates

01 Permission and scope

I authorize the named minor to participate in the tennis activities identified above, including evaluations, lessons, supervised drills, warmups, and practice play provided by the named operator. This agreement does not cover transportation, travel, overnight programs, or unrelated activities. No court owner or unnamed third party is released by this draft.

02 Risk acknowledgment

Tennis involves moving balls and rackets, rapid changes of direction, running, jumping, physical exertion, and interaction with other players. Possible harm includes falls, collisions, strains, fractures, eye or head injury, serious injury, and death. Outdoor conditions can also present hazards. Identifying a hazard here does not make every resulting injury an inherent risk or excuse inadequate care.

03 Participation responsibilities

I will provide accurate emergency contacts and relevant health information through private enrollment, communicate restrictions, and encourage the athlete to report pain or illness. The athlete may stop and ask for help. We will follow communicated safety and authorized pickup procedures. Coaches do not transport players. These responsibilities do not enlarge the release on page 3.

MINOR PARTICIPATION AGREEMENT AND LIMITED LIABILITY WAIVER

DRAFT FOR FLORIDA LEGAL REVIEW / NOT FOR SIGNATURE OR USE

04 Limited release of inherent risk claims

As the minor's natural guardian, I waive and release in advance the minor's claims and my related claims against [CONFIRMED LEGAL ENTITY NAME] for personal injury, including death, and property damage resulting from inherent risks of the covered tennis activities, only to the extent authorized by section 744.301(3), Florida Statutes. Inherent risks are dangers or conditions integral to the activity that remain even when the provider acts with due care in a reasonably prudent manner.

05 Limits of this agreement

This agreement does not release claims arising from risks outside that statutory scope, including harm caused by the provider's failure to exercise due care. It does not release gross negligence, reckless or intentional misconduct, abuse, or rights that cannot lawfully be waived. It creates no duty for the family to defend or indemnify the operator and contains no arbitration requirement.

06 Separate permissions and participation period

This form does not authorize photography, audio, video, marketing, or coach transportation. Media permissions and payment terms are separate. Emergency treatment authorization is addressed separately; staff may call emergency services when needed. This agreement applies only to the completed activity and date range on page 1 and does not renew automatically. A separate adult agreement is needed for participation after age 18.

07 Natural guardian acknowledgment

I confirm that I am authorized to act as the minor's natural guardian under Florida law. I have read all three pages, including the notice on page 2, and understand the limited rights affected. I have had an opportunity to ask questions. I understand that I may refuse to sign and that the operator may decline participation. If my authority is uncertain, this form must not be accepted without appropriate review.
